Enhance Iowa - Community Attraction and Tourism (CAT) Program

Grant Summary

The Community Attraction and Tourism (CAT) program assists communities in the development and creation of multiple purpose attraction or tourism facilities. Projects must be available to the general public for public use and be primarily vertical infrastructure. Starting July 1, 2018, CAT applicants must document 65% of the project costs have been raised through donations or pledges to be eligible to submit an application. Additionally, a loan and/or financing cannot be used to help reach the 65% fundraising threshold. **02/2021: Contact Alaina.Santizo@iowaeda.com or Macie.Pohlman@iowaeda.com about current deadlines before applying.**

Eligibility

Eligible applicants include a city, county, nonprofit organization, or school district in cooperation with a city or county. The applicant should be the intended entity to contract with the Enhance Iowa Board to receive CAT funds and undertake the funded activity. Any subrecipient (a private organization or other entity operating under an agreement or contract with a recipient to carry out a funded CAT activity) must be listed in the application.

Eligible Projects

CAT projects may include but are not limited to the following: museums, theme parks, cultural and recreational centers, recreational trails, heritage attractions, sports arenas, and other attractions.

Geographic Focus

Iowa

Award Amounts

No more than 15% of the total project costs.

Deadline

Typically, applications will be accepted quarterly, January 15, April 15, July 15, and October 15. Applications received after 4:30 p.m. will not be considered for funding. **Jan. 15, 2023**

Award Announcements

There is no set award date for the CAT program. CAT awards are last dollar in, which means an award is made when the Board is confident the applicant can close any remaining fundraising gap within a set number of days, usually 30-60. The length of time an applicant remains before the Board is dependent on the applicant and how many funds have been raised upon application. Awards have been averaging 12-15% of total project costs; it is recommended applicants come in with 80% of the funds already raised. Fundraising includes cash, pledges and in-kind donations.

Environmental Protection Agency – Brownfield Clean up Grant

Grant Summary

Cleanup grants provide funding for a grant recipient to carry out cleanup activities at brownfield sites. Due to budget limitations, no entity can apply for funding cleanup activities at more than three sites. These funds may be used to address sites contaminated by petroleum and hazardous substances, pollutants, or contaminants (including hazardous substances co-mingled with petroleum).

Eligibility

- General Purpose Unit of Local Government. (For purposes of the brownfields grant program, EPA defines general purpose unit of local government as a “local government” as defined under 2 CFR 200.64.)
- Land Clearance Authority or other quasi-governmental entity that operates under the supervision and control of, or as an agent of, a general purpose unit of local government.
- Government Entity Created by State Legislature.
- Regional Council or group of General Purpose Units of Local Government.
- Redevelopment Agency that is chartered or otherwise sanctioned by a state.
- State.
- Nonprofit organizations. (For the purposes of the brownfields grant program, the term “nonprofit organization” means any corporation, trust, association, cooperative, or other organization that is operated mainly for scientific, educational, service, charitable, or similar purpose in the public interest and is not organized primarily for profit; and uses net proceeds to maintain, improve, or expand the operation of the organization.)

US Bank – Community Possible Grant Program

Grant Summary

We support organizations and programs through Operating grants, Program or project grants, or Capital grants, that advance the following funding priorities: Work – Workforce Education and Economic Prosperity; Home – Neighborhood Stability and Revitalization; Play – Arts, Culture and Places to Play. **In 2021, we are switching to an invitation-only grant application; moving away from three payout cycles and instead making quarterly payouts to provide funding when it is needed most.**

Eligibility

For nonprofit organizations new to U.S. Bank Foundation, a Letter of Interest will be available in January 2021. Community Affairs Managers will review Letter of Interest submissions periodically to learn about new and innovative programs and organizations in their regions and markets. After reviewing a Letter of Interest, a Community Affairs Manager may reach out with a request for a full application. You can access the Letter of Interest by clicking the “Submit a letter of interest” link at the bottom of this page. Letters of Interest may be submitted at any time during the year.

Eligible Projects

Play: Programs that provide access to cultural activities, visual and performing arts, zoos and aquariums and botanic gardens for individuals and families living in underserved communities; Funding for local arts organizations that enhance the economic vitality of the community; Programs that provide funding for arts-focused nonprofit organizations that bring visual and performing arts programming to low- and moderate-income K-12 schools and youth centers.

Work: Investing in the workforce - Small business technical assistance programs; Job-skills, career readiness training programs with comprehensive placement services for low- and moderate-income individuals entering or reentering the labor force. Providing pathways for educational success - Organizations and programs that help low- and moderate-income and at-risk middle and high school students prepare for post-secondary education at a community college, university, trade or technical school and career readiness; Programs and initiatives at post-secondary institutions that support access to career and educational opportunities for low- and moderate-income and diverse students. Iowa Great Places

Grant Summary

Great Places Designation: The Iowa Great Places program seeks to recognize communities that take action to enhance their local places while staying true to the qualities that makes them unique. Designated communities have demonstrated a vision that values their cultural assets while challenging themselves to set realistic goals for advancing their quality of life. The program goals are to cultivate the unique and authentic qualities of Iowa neighborhoods, districts, communities and regions in order to make them great places to live and work through professional development training; technical assistance opportunities; a network of vibrant communities and passionate leaders; and access to other state and local resources.

Great Places Funding (only to designated communities): The program provides Iowa Great Places designation, the opportunity to apply for grant funding to support vertical infrastructure expenses as defined by the Iowa Code 8.57 for projects dedicated to developing cultural assets in the community, and the opportunity to apply for endorsement resulting in additional consideration from partner state agency programs for projects that develop assets in the following areas: Arts and Culture; Architecture; Diversity; Entrepreneurial incentive for business development; Historic Fabric; Housing Options; Natural Environment; Amenities.

Eligibility

Eligible applicants must be one of the following types of entities.

- Federally tax exempt 501(c)3 nonprofit organization incorporated and physically located in Iowa
- Unit of local, county or federally-recognized tribal government physically located in Iowa
- Municipal agencies with 28E agreements physically located in Iowa

Trails Visioning

Grant Summary

Trails Visioning is a planning process that works with a trail group to identify a trail's attributes and opportunities for improvement. Trees Forever staff facilitate this multi-meeting planning process and work with volunteer committees to develop images of what trail improvements will look like when installed. As a result of participating in this program, trail groups across the state have succeeded in completing trail projects from this conceptual stage into fully implemented trail improvements.

Eligibility

Trail Groups

Eligible Projects

The Trails Visioning process covers three phases of the planning process: assessment, design, and implementation planning. These phases are addressed in a series of meetings that take place over approximately six months. A local steering committee must be identified for the project.

Iowa's Living Roadways Community Visioning

Grant Summary

Iowa communities that need to improve their transportation systems, such as entrance corridors, streetscapes, sidewalks, or trails, are encouraged to apply for Community Visioning. We give priority to communities that lack planning resources within the city government.

Eligibility

Communities in need of transportation enhancement planning assistance and with populations of fewer than 10,000 residents

Eligible Projects

Trees Forever field coordinators provide structured facilitation of the visioning process. Landscape architecture consultants collaborate with design interns to provide design assistance under the direction of ISU. ISU also provides research-based community assessments and directs transportation plan development by consultants. Iowa DOT provides review and technical assistance for transportation enhancement concept planning.

A webpage is created for each community and linked to existing community websites and social media. During the visioning process, program reports, meeting announcements, and pictures are posted to keep everyone informed and involved. At the end of the visioning process, the community will receive a series of display boards that include conceptual drawings and images illustrating the transportation plan. Implementation strategies will be developed and communicated in an 8½ by 11-inch feasibility study. All products will be available electronically after the process is completed on the program website in order to facilitate grant writing and community development needs. Communities selected for Community Visioning agree in writing to commit \$2,000 toward implementation of a project proposed through the visioning process. The Jeffris Family Foundation

Grant Summary: The Jeffris Family Foundation assists the development of historic sites for non-profit organizations in the small towns and cities in our geographic focus through the Jeffris Heartland Fund and the Capital Campaign Challenge Grants. Heartland Fund - The decision to pursue a grant from the Jeffris Heartland Fund must be made in consultation with a Director of the Foundation to discuss your project and request a Jeffris Heartland Fund application form.

Capital Campaign Challenge Grants - Invitations are extended at the discretion of the Foundation and its directors who work closely with potential applicants to assess their readiness to launch a capital campaign. Projects which have completed their planning without a grant from the Jeffris Heartland Fund should submit an inquiry, and if appropriate, will be assigned a Director of the Foundation who will assess whether they should be considered for a future Capital Campaign Challenge Grant. Directors will also assist grant seekers with the application process, provide related technical assistance to guide wise and constructive use of the grant, and administer grants once awarded.

Eligibility

Established 501(c)(3) non-profit organizations or government agencies in partnership with a 501(c)(3) organization

Eligible Projects

Only projects where site control is assured and a commitment has been made to a viable preservation strategy will be considered.

Keep America Beautiful/Coca-Cola Public Spaces Recycling Bin Grant Program

Grant Summary

While most Americans have access to recycling in their homes, finding recycling bins in public spaces such as downtown areas, athletic fields or event venues can be a challenge. As we increasingly live “on-the-go” lifestyles, research and common sense tell us that people are less likely to recycle if they don’t have a convenient access to recycling bins. The Keep America Beautiful/Coca-Cola Public Spaces Recycling Bin Grant Program is designed to help communities overcome this barrier by providing recycling bins in public spaces.

Eligibility

Grants are offered to Keep America Beautiful affiliates, government and public agencies, nonprofit organizations, tribal governments, religious organizations, colleges and universities, K-12 schools, and other community groups.

National Endowment for the Arts - Our Town

Grant Summary Our Town is the National Endowment for the Arts' creative placemaking grants program. Through project-based funding, we support projects that integrate arts, culture, and design activities into efforts that strengthen communities by advancing local economic, physical, and/or social outcomes. Successful Our Town projects ultimately lay the groundwork for systemic changes that sustain the integration of arts, culture, and design into local strategies for strengthening communities. These projects require a partnership between a local government entity and nonprofit organization, one of which must be a cultural organization; and should engage in partnership with other sectors (such as agriculture and food, economic development, education and youth, environment and energy, health, housing, public safety, transportation, and workforce development).

Eligibility

Arts Engagement, Cultural Planning, and Design Projects: Nonprofit tax-exempt 501(c)(3) U.S. organizations with a documented three-year history of programming; Local governments.

Projects that Build Knowledge About Creative Placemaking: Arts and design organizations that provide services to the field; National and regional place-based industry or university-based organizations that provide technical assistance to those doing place-based work.

Eligible Projects

We encourage applications for artistically excellent projects that: Bring new attention to or elevate key community assets and issues, voices of residents, local history, or cultural infrastructure; Inject new or additional energy, resources, activity, people, or enthusiasm into a place, community issue, or local economy; Envision new possibilities for a community or place - a new future, a new way of overcoming a challenge, or approaching problem-solving; Connect communities, people, places, and economic opportunity via physical spaces or new relationships; Honor traditions shaped by the lived experience of a community's residents, such as music, dance, design, crafts, fashion, cuisine, and oral expression. **For Fiscal Year 2024, we are particularly interested in arts, culture, or design projects that address health or well-being, transportation or infrastructure, or climate-related challenges within a community.**

Rural Child Care Market Study Grant Program

Grant Summary

The Rural Child Care Market Study Grant program aims to support the use of data and analysis by rural communities to determine specific needs and solutions. Through greater understanding of geographic market, demographics, competition, and other factors, communities can be armed with the information needed to make proactive steps towards addressing child care challenges. Funding from the program will empower communities to partner with a third party to assess the current child care market environment and develop strategies.

Eligibility

City and county governments or federally recognized tribal governments physically located in Iowa; Federally designated nonprofit agencies and foundations; Public and private schools that serve grades pre-K through 12 and are physically located in Iowa; and Higher education institutions located in Iowa. Requirements for Rural Child Care Market Study Grant awards include, but are not limited to the following: Applicants must demonstrate the capacity for grants administration; Applications must provide 1:1/2 cash match; Applications must agree to contract with a professional third-party partner for completion of the market study and strategic goals; Applicant communities must identify the third-party organization in their application that will conduct the analysis and planning process. The third-party partner should include an in-depth research process, facilitated community sessions, and a final report with action steps.

Eligible Projects

The study must take place in and benefit a community in Iowa with a population of 20,000 or fewer and not contiguous to a city with a population of 40,000 or greater. If a county-wide application, the applicant must be within one of the 88 least-populous counties in Iowa. Rural Innovation Grant Program

Grant Summary

The Rural Innovation Grant program seeks to support creative ideas that address current issues and challenges faced by rural communities associated with the themes of community investment, growth and connection. The word "innovation" is derived from the Latin verb innovare, which means to renew. So at its root, innovation means to improve or to replace something, such as a process, a product, or a service. It is the concept of bringing creativity into implementation with a definitive outcome. This grant is designed to support the implementation stage of projects.

Eligibility

Iowa businesses, colleges and universities, city or county government, and nonprofit organizations and foundations

Eligible Projects

Projects should align with one of three focus areas: Growing Rural Iowa - Supports community leaders as they think holistically and act collaboratively to inform and connect leaders to rural issues, grow vibrant community gathering places, and develop tools to train and educate the next generation of leaders; Investing in Rural Iowa - Projects that develop creative, scalable development solutions, including but not limited to projects addressing rural housing solutions, infill and reuse strategies, and affordable, sustainable designs; Connecting Rural Iowa - Projects that improve and expand opportunities for diverse members of Iowa's rural communities to utilize high-speed broadband service.
