From Nuisance to Dream Home

We need your vote!

For a fourth consecutive year, ECIA will receive $218,000 over three years through the Rural Community Development Initiative (RCDI) Grant for Free Planning a Project?

The EPA has announced that all EPA grant and technical assistance funds to the City of Maquoketa to assist with recovery efforts from the 2019 floods and technical assistance funds to Healthy Communities Planning and Programming Team. This funding will be used to support recovery efforts from the 2019 floods and to provide technical assistance to the City of Maquoketa through the EPA’s Regional Planning and Programming Team.

COVID-19 Expense Reimbursement

On August 4, Governor Reynolds announced the distribution of $125 million of federal CARES Act dollars to local governments to reimburse expenses related to the COVID-19 Public Health Emergency.

To receive a reimbursement, a city must pass a resolution and submit it, along with supporting documentation, through the State’s web-based portal. Each city has 60 days from the date of the funding announcement to submit the resolution.

For guidance on which expenses might be covered, visit the State’s website at: https://tinyurl.com/y4ky9sms

We need your vote to beautify the newly constructed neighborhood. We need YOUR HELP to do this! Please vote for us at https://tinyurl.com/y4ky9sms

There is a 75% Federal / 25% local cost-share associated with the FEMA PA Projects. The cost-share for this project is $2,288,800 of EDA disaster recovery funds to the City of Maquoketa.

For more information please contact Tricia McPherson, Manager of Special Programs at Holly McPherson@ecia.org or call 563.690.5738.

CARES Act Funds

The EDA Economic Development Administration (EDA) announced the award of $2.3 million in CARES Act Recovery Assistance grants to 58 states and territories through its Revolving Loan Fund.

This funding will allow businesses to pivot and/or create new jobs through the production of personal protective equipment, inventory, building acquisition, and building construction.

There are several ways to apply for a grant, including online, by phone, or by mail.

For a list of contact information, visit the EDA website at: https://www.eda.gov/eda-grants/COVID-19-and-CARES-Act-Grant-Funds.html

For more information please contact Holly McPherson, Manager of Special Programs at Holly McPherson@ecia.org or call 563.690.5738.
