Need assistance making a vaccination appointment?

When you call the Dubuque County Sleeves Up! Call Center, a vaccine navigator will help you find local vaccination opportunities and waiting lists provided by Dubuque County healthcare providers and pharmacies as well as public clinics when they are offered.

Need a ride to a vaccination appointment?

Call the RTA at 563-588-4592 or 1-800-839-5005, or dial 711 for Relay Iowa. If you experience other barriers accessing the vaccine, call the City of Dubuque Human Rights Department at 563-589-4190 so that they can work with vaccine planning groups to address community needs.

All available COVID-19 vaccines effectively prevent infection and are extremely effective at preventing death or illness. COVID-19 vaccines are being held to the same safety standards as all other vaccines. They have been tested extensively by the CDC, FDA, and other agencies to ensure their safety. Now, millions have received their vaccine. When it's your turn, you can feel confident that it is safe and effective.
