Dear Mr. Lansing:

I, as an Iowa licensed Asbestos Inspector (License # 22-9217), was on site at 211 & 213 East Broadway Street, Stanwood, IA on March 8, 13, 14, 15, 16, 28, and 30, 2023 during demolition and building debris removal. Air monitoring was conducted on all these dates.

Trucks were loaded on March 16, 2023 by the end of the day and hauled to the landfill on March 21, 2023. The site was inspected at the completion of the building debris removal on March 30, 2023. There were no asbestos materials identified by visual inspection of the site after building debris removal was completed on March 30, 2023.
